RFPs

The North Pacific Research Board (NPRB) released the 2016 annual [request for proposals](#). The deadline for proposal submission is **Friday, December 4, 2015 at 4pm.**

The new [Long-Term Ecological Research Solicitation](#) is released. The preliminary proposal deadline is **February 1,**

News

(Photo credit Chelsea Rochman, UC Davis)

UC Davis and Hasanuddin University (Indonesia) study finds plastic debris and man-made fibers in fish sold in markets. Read the LA Times' article about the study [here>>](#)

2016. The full proposal deadline is **August 2, 2016**.

Fellowships

The Delta Science Fellows Program is seeking graduate students and postdoctoral researchers who will work on collaborative data analysis and research projects applicable to the California Bay-Delta system. Find out more [here](#).

Applications are due **November 18, 2015**.

USGS Mendenhall Research Fellowship Program

The USGS Mendenhall Research Fellowship Program is seeking postdoctoral students to conduct interdisciplinary research on pesticides and birds. Find more information [here](#).

Other Postdoctoral Positions

1. Postdoctoral Researcher at Stanford University's Hopkins

Spotlight

(Photo courtesy of Pamela Reynolds)

Our newest Spotlight is on **Pamela Reynolds**, a UC Davis undergraduate alumna and current postdoctoral scholar! Reynolds is currently coordinating a large international seagrass network called the Zostera Experimental Network. Read more about Reynold's work [here](#)!

Announcements

Congratulations to our Video Contest winner **Megan Hill**! Her video "A Day in Bodega Bay 2015" captures the beautiful scenery and biota of Bodega Bay, the unique aspects of student research, and the camaraderie among students.

[Watch the video here>>](#)

Marina Station. [Read here>>](#)

2. Postdoctoral Research Associate at the Pacific Northwest National Laboratory (PNNL). Find more [here>>](#)

Tideline Updates

If you have any news we should know about, please email us at cmsinews@ucdavis.edu

Jobs

1. The Baldwin Group, Inc. (TBG) is seeking a West Coast Geospatial Coordinator. [Read more here>>](#)

2. The State Water Resources Control Board is seeking a Student Assistant in Engineering and Architectural Sciences. Find additional details [here>>](#)

Unique #Outreach Opportunity

CMSI is seeking graduate students, postdocs, and faculty members for the CMSI Twitter Team! Team members will curate and post content related to coastal and marine sciences and policy on behalf of the Institute. This is a great low-commitment way to increase the impact of your own research by leveraging CMSI's network to reach a wider audience.

If you are interested, please contact Mateo Robbins at mjrobbins@ucdavis.edu.

CMSI Grad Students and Postdocs

Join us for our monthly coffee/tea hour on **November 10, 2015** in **1347 Storer Hall** at **3pm**.

Take a look at CMSI and BML's new brochures [here>>](#)

Events

The [2015 Southwest Climate Summit](#) will be held from **November 2-3, 2015** in Sacramento, California.

Western Society of Naturalists

The [96th Annual Western Society of Naturalists](#) will be held from **November 5th-8th** at the DoubleTree by Hilton hotel in Sacramento, CA.

The 2015 [Coastal & Estuarine Research Federation](#) (CERF) is hosting the 23rd biennial conference from **November 8-12, 2015** in Portland, OR. The focus of the conference will be "Securing our Future". Register [here](#).

Pack, Snap, and Send it!

UC DAVIS MARINE SCIENTISTS

SUSTAINING
CALIFORNIA'S
ECONOMY &
ENVIRONMENT,
from the SIERRA
TO THE SEA

CMSI IS OVER
100
UC DAVIS
MARINE SCIENTISTS
at
BODEGA MARINE LAB
and
THE MAIN CAMPUS

Thank you Cal Aggie Alumni Association for making the BML/CMSI alumni event "Science to Sustain the Coast" on Friday, October 16 a huge success!

California GIS Council

We would like to feature pictures of you—like Professor Nann Fangué on the Oregon Coast—with your CMSI bag! If you don't have a bag yet, come pick one up at CMSI, **1347 Storer Hall**.

The California GIS Council is re-forming the Coastal & Marine Working Group and is seeking new members. If you are interested in coastal and marine geospatial data, sign up [here!](#)
